

# CHRISTIAN NNAEMEKA OGBODO

## FRONTEND DEVELOPER

305 Gbazango Extension Kubwa,  
Abuja, FCT Nigeria. (+234) 8130589811  
infinitetechglobal@gmail.com

### SKILLS

Business Management

HTML, CSS, JavaScript, React Js

**LANGUAGE:** ENGLISH

### WORK EXPERIENCE

#### E-COMMERCE WEB APP:

Is a project I worked on to test my knowledge and skills on what I have learnt so far in my journey on becoming a Front End Developer.

#### EXPERIENCE

##### **InfiniteTech Resources Int. Ltd, Abuja - Owner**

August 2020 - Present

- It's an I.T practicing company I started to provide solutions to any form of I.T problems from Mobile devices, Computers, CCtv, Home automation, software related issues and more.
- We also do contracted jobs such as App development and other forms of I.T contracts.

##### **Volume Choice Int. Ltd, Abuja - Manager**

March 2013 - 2019

- I was in charge of overseeing the day-to-day business sales, management and proper documentation of its activities and invoicing.
- I was in charge of employment and training of new staff to document sales on the system and also make sure the ones employed for technical duties are properly trained to meet company standards.

---
